

A dense, abstract collage of various symbols, numbers, and letters in black and white, scattered across the page. The elements include mathematical symbols like plus (+), minus (-), multiplication (x), division (/), and less than (<); numbers like 1, 8, 9, and 10; and letters like V, P, A, and L. Some symbols are solid black, while others are white with black outlines. They are arranged in a chaotic, overlapping manner, creating a complex visual texture.
